Thank you for choosing Span-America for your stretcher mattress needs. We make a variety of sizes to fit the most commonly owned stretcher models. In order to ensure proper fit, please use this form to record accurate dimensions.

NOTE: All UltraMax stretcher mattresses include non-slip bottom and “universal” hook & loop pattern. These large, alternating areas of both hook and loop on bottom of mattress are designed to help in anchoring to a wide variety of stretcher models.

Stretcher manufacturer: ____________________ Model/number: ________________________________
