SKIN CARE

SELAN+® Zinc Oxide Barrier Cream and Lotion

Offers treatment and prevention of diaper rash, excoriations and stage one pressure ulcers caused by incontinence, perspiration or heat.

- Leaves no greasy residue
- Absorbs quickly
- Satiny smooth
- Won't clog disposable diapers or pads

SELAN® Silver Protective Skin Cream

A soothing moisturizer that helps prevent dry, chapped, cracked or chafed skin.

- Contains Silvérion® 2400 and dimethicone
- Non-greasy formula
- Absorbs quickly
- Paraben-free

SELAN+® AF Antifungal Moisture Barrier Cream

Effectively treats most athlete's foot, ringworm, jock itch and superficial yeast infections with miconazole nitrate.

- Soothing relief from itching, burning and redness
- Protects against moisture
- Easy to apply
